

WHAT WE DO

We incorporate employment services into every aspect of our programming, connecting clients to services that match their needs. We get men and women into competitive jobs quickly and help them stay employed.

SOCIAL PURPOSE ENTERPRISE

Our catering business prepared and served **2 million meals** to New Yorkers.

Our **City Beet Kitchens** catering business provides employment for at-risk individuals and generates funds to support our organization.

EMPLOYMENT SERVICES

867 received job training, GED prep, interview skills building, and other services.

355 placed in jobs.
\$11.13 average hourly wage.

80% retained their jobs for 3 months.

Our **Culinary Arts Training Program** graduates were placed in jobs at double the rate of comparable programs.

Thomas answered the call of duty to our country, but as a veteran, he struggled to adequately support himself. Through **Next Step VETS**, our award-winning employment program for veterans, Thomas landed a full-time job at Beth Israel Hospital.

"This is the highest paying job I've ever had. It allowed me to stay in my apartment, and now I'm able to live the life I always wanted."
